**Dated:13/03/24**

**LIVE-STREAMING OF PM NARENDRA MODIS' ADDRESS TO INDIAS' TECHADE AND  
FOUNDATION STONE LAYING OF 3 SEMICONDUCTOR PROJECTS:**

**A REPORT**

Viksit Bharat Abhiyaan Cell in collaboration with NSS units GDC Pattan organized the live streaming of PMs address to **Indias Techade: Chips for Viksit Bharat** wherein he laid the foundation stone of three semiconductor facilities in Gujrat and Assam through video conferencing today the 13<sup>th</sup> of March, 2024. PM Modi during his address to the nation stated that India is taking a huge step towards the future and scripting the history. He further added that more than 60,000 educational institutions were associated with the foundation stone laying ceremony virtually. Prior to the commencement of the actual event, the students and faculty present were formally welcomed by Prof. Altaf Hussain (I/C Principal). While addressing the gathering Prof. Altaf highlighted the importance of semiconductor manufacturing in strengthening the economy of the nation as a part of ViksitBharat@2047. Prof. Uzma Hameed, Head Dept of Information and Technology elaborated the basics of semiconductor applications in the field of IT and in everyday life. NSS officer Dr. Tabassum Qadri deliberated upon the importance of participating in such events and impressed upon the students to take their curriculum seriously for a prosperous future and a developed India. The live streaming was viewed keenly by enthusiastic students in the Computer Lab. The event was also attended by all the faculty members of the college.
