Department of
Botany

Press Note

As part of VikshitBharat@2047, the department of Botany, GDC Pattan organized an awareness program on 21-12-2023 to promote a culture of innovation and entrepreneurship, especially in the field of plant sciences, among the students of the college. Dr. Shabana Gulzar, Head, Department of Botany, highlighted the significance and role of students as real stakeholders in building a developed and prosperous nation. The students were motivated to utilize the opportunities and pursue skills based on their aptitude and were further encouraged to register and express their ideas for the vision of VikshitBharat@2047. The step wise process of registration with the help of a comprehensive presentation was demonstrated, followed by a hand on training to facilitate the student's participation in the nationwide agenda of Viksit Bharat. The college Principal, Dr. Baby Bilkis and the coordinator for Viksit Bharat, Dr. S. W. Nawbahaar were among the attendees.
